Medicare Set Asides:

Associates in Rehabilitation Management offers Medicare Set Asides utilizing Medicare Set Aside Consultant Certified professionals. We are able to provide a detailed review of the medical records necessary to develop an accurate and reliable future cost projection necessary for settlement of claims.

AIR is able to focus on the medical information and develop the most cost effective projection for all parties.

Our MSA program expedites settlement agreements in a timely manner, reduces litigation costs, and customizes an MSA report geared towards each individual file.
